MADAM:

Greetings of passionate peace and harmony!

It has been a battle cry of every citizenry that quality education can be attained, this forever vision can be made possible by having quality instructions provided by quality teachers. The research identifies teacher quality as the most important school related factor influencing student achievement. While school quality is an important determinant of student achievement, the most important predictor is teacher quality.

It is in this manner that **HNL Training Center- Humanity as Nurturer of Leaders**, humbly venture to work hand in hand with the Department of Education, to complement and supplement in providing quality service to teachers and school heads thru seminars, conferences and trainings. An array of possible topics would be reflected in the attached matrix as well as the list of highly respected and invited resource speakers from the Department of Education and some invited International speakers from abroad.

HNL Training Center envisioned to provide the services that may rekindle the heart and mind of teachers thru empowering them to create their best ever teaching and engaging them that they may teach the lower strainers in class with all their compassionate heart. Furthermore, there is a need to look and debate with Luke minded teachers on methods and practices from around the world, to get resilience into classrooms, and to focus on the skills for life that need to be embraced by all educators and be embedded into learning outcomes.

In this regard, with our most humble ways, we would like get your most generous approval in your Division as we invite the teachers, school principals, head teachers, master teachers, both from public and private elementary and secondary schools that they may have your kindest blessings as they may attend to any of the scheduled seminars in their most convenient time.

In God's perfect time as always, we thank you the most.

HNL Training Center is forever grateful to this intellectual convergence that you may possibly allow. More power!

Very truly yours,

JONAH MIE BENANIL
