**CHILDREN ON-THE-SPOT POSTER MAKING COMPETITION**

To: Schools Division/City Superintendents  
Officers-in-Charge of Regular/Interim Divisions  
All Others Concerned

1. The Department of Chemistry of the University of San Carlos, in partnership with the Philippine Federation of Chemistry Societies, will hold the Children On-the-Spot Poster Making Competition with a theme "A Better Life with Chemistry" on February 8, 2013 from 8:00AM-12:00AM.
2. This event aims to cultivate interest and appreciation in chemistry in the minds of the children. This will also showcase children's view on the role of chemistry in the community. This is a nationwide event, in cooperation with other universities in the country.
3. The event is open to all Grades IV to VII pupils, not older than twelve (12) years old, from both private and public schools. A maximum of two (2) pupils can be endorsed by each school. Registration is free and all materials to be used for the competition will be provided.
4. The three winning entries will join a pool of finalists at the national level. The first place winner at the national level will receive his/her award during the 28<sup>th</sup> Philippine Chemistry Congress which will be held on April 10-12, 2013 at Siliman University in Dumaguete City. Winning posters will also be exhibited during the Congress.
5. Only fifty (50) contestants will be accepted to participate. Acceptance will be made on a first-come, first-served basis. Interested participants would have to confirm their registration on or before January 22, 2013, through phone call (Department of Chemistry 032-344-6715 or 032-230-0100 loc. 157) or email ([chemdept@usc.edu.ph](mailto:chemdept@usc.edu.ph)).
6. For immediate dissemination and proper action.
