DR. ARDEN D. MONISIT
Schools Division Superintendent
DepEd Division of Cebu
Lahug, Cebu City

Sir:

The pressure is on. Everyone-every citizen, parent and students-wants the School to produce results. Real Results. Now! Not tomorrow! Today!

What, however, does it mean to improve our School and Teachers' performance? And more significantly, how can PUBLIC SCHOOL TEACHERS and SCHOOL HEADS make this happen?

As a new school year begins in June, new innovations, techniques and management shall be provided in the In-Service Training for District Supervisors, Principals and Teachers in the division.

This module-**DRIVING TEACHER'S PERFORMANCE**-provides executives and teachers with the intellectual framework, the tacit knowledge and the practical skills for responding creatively and effectively to the performance challenge. The participants will develop the ability to identify the school's performance deficits, the ingenuity to create an effective performance strategy, the skill to motivate both employees and collaborators and the capacity to exercise leadership in a diverse and complex situation.

In line with these, Saceda Youth Lead would like to offer their skills and expertise as **Resource Speaker** in the **In Service Training for Teachers** in your division/district. We would like to tender our special topics for a Half-Day Training with the a Registration Fee of **Php30.00: Strategies and Techniques in Teaching, Intensive Social Graces and Etiquette of a Teacher, Seven Deadly Sins of a Filipino Teacher and Emergency and Preventive Medicines.**

We are very interested to be invited as a Resource Speaker for the academic year 2013-2014. Thank you very much and Godbless.

Sincerely,

DAVE G. SACEDA
Chair and Founder
