SCHOOL OPENING ADVISORY

The Department of Education, in close coordination with other agencies and the local communities, has been continuously ensuring the safety and security of our school children, most specially on opening of classes on June 3, when heavy influx of students and non-students alike are expected in schools.

In line with the opening of classes, DepEd is directing all school heads across the country to invite officials and members of the local communities to join the flag raising ceremonies of their respective schools, to provide security assistance and to promote unity in the local community.
