 DIVISION OFFICE, LAHUG, CEBU CITY

July 8, 2013

ATTENTION: DIVISION SUPERINTENDENT
To: DISTRICT SUPERVISORS/ PRINCIPALS/TEACHERS

Dear Ma'am/ Sir:

We would like to congratulate you for your commitment to your school's improvement and enhancement of your teachers. Keeping in mind that you believe in the importance of continuing education and professional development, we are inviting you and your teachers to attend the following events.

We're also glad to inform your office that we had complied with the requirements set by the Department of Education through DepEd Order No. 8, series of 2013 entitled Policy Guidelines on Issuance of Advisories. As such we are tasked to submit reports and evaluation of each training to DepEd-Office of the Undersecretary for Programs and Projects.

INTERNATIONAL SEMINAR ON MATH AND SCIENCE TESTING
August 23-25, 2013 at Kanhuraw Center, Tacloban City

Good quality instruction not only includes the use of effective learning activities, but assessing the degree to which students have attained learning outcomes. Assessment which forms part of the teaching includes tests which more often than not are created by teachers. And teachers place more weight on their own tests in determining grades and student progress than they do on assessments designed by others or on other data sources (Boothroyd, et al., 1992). With great emphasis given on tests they construct, teachers need sound measurement skills.

Guided by this framework, the Southeast Asian Institute for Educational Training shall hold the International Seminar on Math and Science Testing on August 23-25, 2013 at Kanhuraw Center, Tacloban City and on September 20-22 at Baguio Convention Center, Baguio City.

THE INTERNATIONAL SEMINAR ON EARLY-CHILDHOOD EDUCATION
November 8-10, 2013 at DepEd-Edutech Center, Lahug, Cebu City

The K-12 Education brings along with it the implementation of important component programs one of which is the inclusion of Kindergarten as part of our basic education. With this, Filipino children now have access to structured and standards-based Kindergarten program. To ensure that this landmark program, it is important that requirements have to be set not only to ensure smooth transition to K-12 but to lead the program to sustained success in the many years of its full-blown implementation. And one component that should be given attention is the training of our teachers. Training should be done in various methods including benchmarking of different practices of early childhood education in other countries. This makes the holding of the International Seminar on Early Childhood Education relevant. The Southeast Asian Institute of Educational Training, Inc. shall hold this program on November 8- 10, 2013 at DepEd-Edutech Center, Lahug, Cebu City.

Our speakers come from top foreign and national universities and educational institutions. These seminars can be attended by classroom teachers, master teachers, school heads, principals and supervisors. Onsite registration fee is Php 3,780 which covers lunches and snacks, bag, print materials and cd. Discounted registration should be deposited through bank before August 18 for Tacloban; September 18 for Baguio and; November 3 for Cebu, 2013 . To avail of the discounted rates, please deposit registration fee Php 3,380 to any branch of Metrobank. Account Name is Southeast Asian Institute of Educational Training Inc. with Current Account No. 522-7-52290976-5. For more information, please call or text 09175142715 and 09194835394.

Thank you and we hope to see you in these events.

Respectfully,

Arman Ayson
