Sir:

United Nations Educational, Scientific and Cultural Organization (**UNESCO**) spearheaded the Education for Sustainable Development (2005-2014). Its thrust lies on education as the best medium to instill key sustainable development issues into teaching and learning consequently promoting competencies like critical thinking, imagining future scenarios in making decisions in a collaborative way. Consequently, Cebu Normal University was commissioned to be the forefront for Region VII.

In this regard, may we request for your endorsement on the participation of both the public and private schools in Cebu City. Opening salvo will be an Inter-School "Poster-making contest with the theme of **"Biodiversity and Water: Awareness towards Conservation and Sustainable Development for Human Health and Well-being"**. The contest will be held at Samuel McClintock Hall, Cebu Normal University on the 24th day of August (Saturday) 2013, 9:00am.

It is the sincerest intention of the contest to involve the Filipino youth to the awareness of the values of biodiversity, to maintain ecosystem services and to deliver benefits essential for all people.

Additional information about the event, together with the details of the contest is herein attached. Should there be inquiries, please feel free to contact the undersigned on this number (02) 2384611.

Thank you very much in anticipation of your most favorable response.

Very truly yours,
