Dear Ma'am:

Greetings!

Bullying has been a problem in most schools for some time now. But it was only recently been realized, that the growing number of drop out from schools is due to bullying. This prompted the Department of Education to encourage all schools to establish "Policies and Guidelines" to safeguard the welfare of every student from all forms of violence and exploitation that may be inflicted by adults, persons of authority, and their fellow students. This Anti-Bullying Law has been approved by President Aquino already.

Bullying is considered as a "silent but very social" problem that leads to abuse and violence that public and private elementary and secondary schools are facing.

In connection with this, we take pride in inviting private and public schools to watch "Larong Bata" another indie film that tackles with depth about bullying to propagate awareness to the academe and the community as a whole, starring Nash Aguas, Makisig Morales and Melai Cantiveros and is presented comically. Special screening date will start on November 30, 2013 at SM City Cinema.

The following are the *educational objectives of the movie "Larong Bata"*;

1. To provide examples of verbal, physical, and social bullying
2. To demonstrate the roles of the perpetrator, the target, and the witnesses in a bullying situation
3. To demonstrate the ways by which people inaction can exacerbate a bullying situation
4. To create understanding and empathy for the target of the child who bullies
5. To inspire the victims of bullying to become more dynamic and encourage positive consequences

We do hope that this worthwhile invitation will be endorsed by your good office to the academe for a voluntary viewing only. For queries and clarifications, I can be reached at this cell phone # 0928 501 7309 and 0939 900 1359. Thank you.

Truly yours,
