DR. CARMELITA T. DULANGON (REGIONAL DIRECTOR)
Regional Office No. VII
Department of Education
Sudlon, Lahug
Cebu City

Dear Dr. Dulangon:

In reference to the project "Mass Production and Supply and Delivery of Science and Mathematics Equipment to 544 Public Secondary Schools, RSHSs, and ESEP Schools" of which the tentative schedule of delivery is set to commence in the 3rd week of December 2013, we are sending you herewith the list of recipient schools under your jurisdiction.

Due to the recent supertyphoon "Yolanda" that hit the country and caused devastation in many cities and municipalities of the Visayas, Southern Luzon, and Northeastern Mindanao, we would like to ask for your office to browse the said list and identify the schools badly affected by the typhoon.

Please, inform us of the names of the typhoon-affected schools, whether these schools are still able to receive and accomodate the Science and Mathematics equipment to be delivered soon or if not, provide us with information as to where to deliver and temporarily store the said Science and Mathematics equipment. This information is needed so that NSTIC and the Suppliers can be guided accordingly and problems during delivery can be avoided.

Since the tentative schedule to start the delivery is set in the 3rd week of December 2013, we need to have the above-requested information on or before December 5, 2013.

Your favorable action on this request will be highly appreciated.

Very truly yours,

RAUL C. LA ROSA
Director III
