  - a) Science Quiz Bowl (2 students and 1 Science Coach). The two pupils will work as a team in answering the Science Quiz Bowl.
  - b) Mathematics Quiz Bowl (2 students and 1 Mathematics Coach). The two pupils will work as a team in answering the Mathematics Quiz Bowl.
- 2) There must be pre-registration made online through our website [www.cvjisc.pshs.edu.ph](http://www.cvjisc.pshs.edu.ph) or through emails, texts or fax to be counted as a participating school / division. It is better that each respective division in region VII can have an elimination round to be able to select the best contestants.
- 3) There will be no registration fee for coaches and students. The registration of the participants will be at 8:00 - 9:30 AM only.
- 4) The students should wear their school uniform and school ID.

### **B. The Contest**

- 1) The contest consists of two levels: Elimination Round (written) and Quiz Bowl Round for both Science and Mathematics categories. The written elimination will be at 9:30 AM to 11:00 AM only. Latecomers will not be allowed to take the test. The scores of the two students will then be added and the top ten highest scorers will be declared in the afternoon to proceed to the Quiz Bowl round at 1:00 PM at the school gym.
- 2) The topics covered are Science and Mathematics concepts in the Grade 5 and Grade 6 Curriculum.
- 3) The quiz bowl has easy, average and difficult rounds. Each question is worth 1, 3 and 5 points respectively.
- 4) The quiz bowl is computer-aided. After every round, there will be one diskarte question in which the team can opt to answer by clicking the specified button. In case they will get the answer correctly an additional of 3, 5 and 7 points respectively will be given to the team. Otherwise, they will be deducted with those corresponding points.
- 5) In case, there will be questions regarding the answer, the coach / contestant can only make a protest after the answer is announced and before the next question is read. The panel of judges will be the only one to decide on this matter. The decision of the judges is final and irrevocable.
- 6) The top 3 highest scorers after the three rounds and all diskarte questions will be declared champion, first runner up and second runner up respectively. They will be awarded with a trophy, medals, certificates and cash prizes. In case of a tie in these positions, a clincher round will be administered with a sudden death approach. The coach of the winning teams will also receive certificates of recognition.
