Director III, Officer-in-Charge

Department of Education Regional Office VII

Sudion, Lahug, Cebu City

Dear Ms. Dulangon,

Greetings from the Asian Institute of Management!

The AIM Stephen Zuellig Graduate School of Development Management (known as Zuellig School for short) is currently in the process of putting together the class for the 26<sup>th</sup> cohort of the **Master in Development Management (MDM)** program which starts in January 2015.

SZGSDM works with emerging nations to build a national corps of public managers who can supervise public service delivery programs and projects and build strong institutions for sustainability. Its mission is to mold the next generation of development leaders and change agents at the development organization level and in government.

The MDM program is AIM's response to the challenge of sustaining Asian development. It is an 11-month intensive, innovative, practitioner-oriented program with graduates that come from 40 countries within and beyond Asia. It is designed to prepare development professionals for managing and leading public, civil society, cooperatives, and private non-profit organizations. Its cultural diversity makes learning within the MDM program a unique academic experience unlike any other.

In this regard, we would like to invite you, your employees as well as your colleagues to join us for the **MDM Program Orientation on 17 July 2014 (Thursday)** at 5:30 PM. This will be held at **Crown Regency Hotel and Towers, Amethyst Function Room, 5th floor, Tower 2, Fuente Osmeña Blvd., Cebu City.** In this orientation, we will be presenting an overview of the MDM program, requirements for admission, and scholarships available for interested applicants who might be looking for opportunities for postgraduate education in a world-renowned institution.
