Dear Dr. Dulangon:

Greetings from RCE Cebu!

Our group, the Regional Center for Expertise, is part of an international network under the United Nations and UNU-IAS promoting Education to Sustainable Development (ESD) since 2007.

In this connection, our group is organizing a Round Table Discussion on Education for Sustainable Development on 30 July 2014, a Wednesday, 1-5 pm at the AS lobby of UP Cebu. Target participants are NSTP Coordinators, Community Extension Specialists/Coordinators, and Teachers Handling Sciences in the Elementary, High School and Tertiary levels. Hence, we would like to request from your good office for an endorsement for the conduct of our activity.

The lead discussants include: Mr. Joel Lee, Prof. Hubert Zanoria, Archt. Socorro Atega, Hon. Nida Cabrera & Hon. Alvin Dizon, among others. There will be sharing of experiences and programs of actions to address critical issues on sustainability during the workshop and plenary session. Participants' active involvement will surely contribute to our collective effort to face the complex issues starting in the schools and communities. Hopefully, this RTD will also be helpful to integrate ESD into their curricula. Likewise, participants are expected to present their program of action during the workshop.

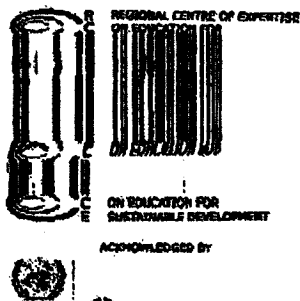

A minimal fee of Php 300 will be collected from the participants to cover for snacks, materials, and certificates.

Please find attached invitation letter that we will send out to the participants.

Thank you so much.

Sincerely yours,

DR. RHODORA M. BUCOY
