THE SCHOOLS DIVISION SUPERINTENDENT

Division of Cebu
DepEd Regional Office No. VII
Sudlon, Lahug, Cebu City

Project: Mass Production and Supply and Delivery of G1 to G3 Teacher's Kits (Science and Mathematics Equipment) to 31,969 Public Elementary Schools

Dear Sir/Madam:

Previously, the Center with your valuable assistance, had successfully conducted the collection of authorized signatories in the recipient schools in Public Secondary schools for science equipment projects. We are expanding the same activity to cover the authorized signatories of recipient schools in the Elementary Level under the above mentioned project. This exercise is important to prevent swapping, non-delivery and other problems during the delivery of the goods.

Again with your indulgence, we would like to respectfully request your assistance in the reproduction of the sample signature form and distribute these forms to the schools that are included in the attached list of recipient school/s in your Division. The form will serve a dual purpose for it also requires a signed recent photo of the authorized officials, so that they can easily be recognized during the delivery of goods by concerned suppliers in the schools. For the convenience of every recipient school, the signature forms can also be downloaded from the DepED-NSTIC website at www.nstic.net.ph.

Please convince the recipient schools to submit as early as possible all the accomplished signature forms of the authorized accountable officer(s) to the Division Office so that NSTIC will have ample lead time to furnish copies to the DepED Central Office and the supplier before the start of the delivery of the goods. As soon as the forms are collected, the Division Office is encouraged to submit all verified forms of the recipient schools to the NSTIC Office on the last week of **November, 2014**.

With your committed efforts to help the learners in your area, we are confident to receive the documents soonest. Our heartfelt gratitude in anticipation of the assistance extended for this very crucial task which is to ensure that the goods reached its intended beneficiary. Thank you.

Very truly yours,

RAUL C. LA ROSA
Director III
