Dear Director Dulangon:

Greetings!

Please be informed that in view of the hectic schedules and time constraints, we have decided to move the Educational Exhibit for Region VII scheduled on November 10-14, 2014 to a later date. This activity which is duly endorsed by Undersecretary Francisco M. Varela as per attached letter to you is now set on February 16-20, 2015 at the DepEd Regional Office.

We will appreciate it very much if you could invite the public and private secondary schools within your area of jurisdiction to attend the exhibit. You may also wish to invite local government officials- Mayors, Congressmen and the Governor, as they might be interested to assist schools acquired modern technology tools, equipment and devices to advance the cause of technical-vocational education and training and the implementation of the K-12 program.

Thank you so much for your support and favorable action to this upcoming activity.

Respectfully yours,

Dear Director Dulangon :

The Our Lady of Triumph Institute of Technology (OLT) in cooperation with HYTEC POWER, INC. is requesting to hold an Educational Exhibit in your respective regions. For NCR, the request is to hold this at your Regional Office premises if possible, on September 22-26, 2014; in Region 10 at the Regional Office on October 20-24, 2014; in Ozamiz City at the MGM Auditorium along Banadero Highway on October 27-31, 2014; and in Region VII, at the Regional Office on November 10-14, 2014.

The main purpose of this exhibition is to showcase modern technology training support devices and systems that may be helpful in the implementation of K-12, particularly the senior high school program.

Please disseminate this information as appropriate and invite our stakeholders to visit this event which may be helpful to them in their respective preparation for K-12 implementation.
