Dr. Juliet Jeruta  
Regional Director  
Department of Education, Region 7

Dear Dr. Jeruta

Greetings from Cebu International School!

As part of the school's 90<sup>th</sup> year celebration, Cebu International School (CIS) is sponsoring an Education Forum on 21<sup>st</sup> Century Skills for Cebu public and private school teachers. These workshops are scheduled on our campus in Pit-os and will be facilitated by CIS educators and interested faculty from other schools. The forum will provide opportunities for teachers to attend a variety of presentations on research-based best practices in teaching and learning and also exchange ideas in developing effective programs for students from pre-school through Grade 12. Various exhibitors will also be present to showcase their educational resources to promote student learning.

In line with this, public school teachers in Region 7 are invited to participate in this forum on our campus in Pit-os on Monday, May 11, 2015. We are planning to host approximately 200 teachers and hope you will issue a memorandum to the schools in this region to support our invitation and their participation in the forum.

The forum will provide time for meaningful collaboration and dialogue between teachers from across the region. It will help to support our schools and teachers, especially as the Philippines moves to extend their high school programs for public and private schools from Grade 10 to Grade 12. Relationships between public and private institutions in Cebu will be strengthened. Teachers will continue to develop their skills in recognizing and nurturing potential and empowering all members of the community to have a positive impact on our changing country and our changing world.

Presenters, as noted above, are being solicited from throughout the region, with the hope of tapping into the strength, skills, quality and passion for education and children we know can be found in the Cebu educators.

As you look to the future, we hope you will consider this as an opportunity to positively support the dedicated men and women who are helping this city and province grow and change to take its place as a major part of a strong and vibrant nation.

Thank you for your consideration!

Sincerely,

  
Jennifer Basa  
Dean of Student Services
