JULIETA. JARUTA, Ph.D.
OIC- Office of the Regional Director
Dep Ed Region VII
Sudlon, Lahug

Madam:

As the Philippines prepares itself to launch a greater and meaningful beginning, Saceda Youth Lead takes pride in complementing the various initiatives of the government specifically in youth development. For the past 17 years, SYL put its might in honing the leadership skills of the youth all over Philippines and the ASEAN region.

Across the Philippines and the world, our youth face common challenges that require a wide range of advanced skills. Today, one can observe that we are somehow losing them from the various gadgets, internet and computer games; some of them are forgetting the core values in life; and some of them are becoming lax in their education. The ability to make a difference in honing the leadership talents will need collaboration with diverse experts and to form non-traditional alliances is essential. With the challenges in mass media, technology and internet, the youth and their teachers need greater accountability and transparency, and they must adopt new analytical tools and techniques to gain a competitive edge.

To prepare them to address these challenges, Saceda Youth Lead and its major partners, will hold the **2015 National Summer Leadership Camp**, an annual youth leadership event which will be held on the following dates and venues:

Date	Venue
April 13-19, 2015	Mindanao Area- Dole Philippines School, Polomolok, South Cotabato
April 22-28, 2015	Visayas Area- Saceda Youth Lead Center, Candau-ay, Dumaguete City
May 6-12, 2015	Luzon Area- Sto. Domingo Elementary School, Sto. Domingo, Albay

Registration fee to this annual event is **P6,000** to defray the cost of food and accommodation for the entire duration of the camp, kits, certificates, uniform T-shirts and for other related expenses. Teacher participants will earn 9 units in the MA Education/ Master in Social Studies as the summer camp modular program has equivalency in the graduate program in education all over the Philippines. The granting institution is Negros Oriental State University. All interested teachers will need to add P7,000 to be enrolled in this program.

In this regard, we would like to seek partnership with your esteemed office. As a partner, we would like to request for your office to recognize the 2015 National Summer Leadership Camp and indorse the camp to all your division in the region through a memorandum.

Attached is our program proposal for your perusal and the Dep Ed Advisory No. 33, s. 2015.

We hope that this event will forge personal relationships that enable lifelong professional opportunities and friendships thereby promoting peace and mutual understanding for the development of the self, family, community, and the nation—the most valuable legacy of Saceda Youth Lead experience.

Thank you very much and God speed!

Sincerely yours,

**2015 SACEDA YOUTH LEAD

ABOUT SACEDA YOUTH LEAD

WHO WE ARE

Saceda Youth Lead, is a Youth Serving Institution of the Philippines under the auspices of the National Youth Commission. For 16 years now, it continues empowering elementary, high school and college students and even professionals to become most effective citizens of our country by providing them opportunities in leadership, community service and exchange and builds leadership through education and action.

WHAT WE BELIEVE

SYL believes that through our youth and our teachers we will see the future of our country and through their good deeds we will prosper as one nation. We believe that education is the backbone of our economy and we need greater partnership and collaboration with other institutions to empower the Filipino Youth to become better citizens of our country by providing them opportunities in leadership, community service and social action. We believe in the ripples of modest beginnings that societal transformation must start from within and that involves training and awakening of the self; given the chance and guidance, one can become an agent of change for God and country.
