DR. JULIET A. JERUTA
Schools Division Superintendent
DepEd Division of Cebu City
Sudlon, Lahug, Cebu City

Dear Dr. Jeruta:

Greetings of Peace!

The Life Coach Training & Development Center, is in one accord with the Philippine government's drive in providing quality education for all. Last year, we have trained more than ten thousand School Heads, Guidance Counselors, Teachers and Parents from different places in the country, in dealing with teaching challenges in today's world.

As I travel around, discussing with the Division and School Heads about their current programs for teachers' development, I assessed, that when it comes to technical training, they are doing well. But when it comes to the inspiration and motivation of teachers, there is where the head ache and stress of the School Heads come in. Almost every school head I talked with told me that, there are so many teachers whose lack of inspiration and motivation are very apparent in carrying out their day to day responsibility. What they were saying was, as much as they need technical trainings, they also need trainings that are inspirational and motivational in nature and personal in approach.

With this regard, I would like to express my support, in the training of the School Heads and Teachers in your Division. I ask no speaking fee in Public Institutions, provided that the training will fall only on weekdays, and the host will shoulder my transportation and accommodation expenses. **Attached herewith, is the list of the trainings and programs you could choose from.** Should you decide to avail any of these seminars, kindly book your schedule, at least two months in advance, to secure the availability of my schedule.

Should you have any concern, you may contact me anytime.

God bless you and more power!

Sincerely yours,

Rev. Jobert Ramos Tolentino
President
Life Coach Training & Development Center
