## REQUEST LETTER FOR 2015 INTERNATIONAL MIND EDUCATION SPECIALIST TRAINING

Dear Dr. Juliet A. Jeruta,

Warmest Greetings from IYF!

IYF (International Youth Fellowship) International Mind Education Institute (IMEI) was founded in 2001, and with the mindset of **Challenge, Change and Cohesion**, has been leading the way in education system. IYF Mind Lectures provide the clear analysis of the heart, desire, self-control, isolation, exchange, wisdom and the world of the heart and proposes solutions to youth and every individual who live in a materialistically abundant 21<sup>st</sup> century, however cannot control their hearts and grieve due to unseen pain and depression, and to those who are confused and experience conflicts in a rapidly changing world with intense competition. The purpose of this event is to revolutionize the idea of leadership by focusing on the importance of having a leader's heart as an educator, being aware of relevant issues in the country which affect our students' education. We believe that addressing these issues will create the caliber of a leader and educator that is best equipped to lead future generations and have a positive impact on society.

I, **Mr. Kim Young Kyun**, Director of the IYF Phils. (International Youth Fellowship Philippines) Cebu Branch. I am writing to inform you about an exciting opportunity for Supervisors, Principals and Teachers in Region VII for professional and personal development that will in return assist them in molding their lives as mentors and future leaders.
