Sir,

Republic Act No. 7796 otherwise known as "Technical Education and Skills Development Act of 1994" or the "TESDA Act of 1994" stipulates among others in its Sections 21 and 25 that:

- a. ... The Authority (TESDA) shall evaluate the efficiency and effectiveness of agencies' skills development program and schemes to make them conform with the quantitative and qualitative objectives of the national technical education and skills development plan.
- b. ... existing technical education and skills training programs in the Government and in the private sector, specifically those wholly or partly financed with government funds, shall be reported to the Authority (TESDA) which shall assess and evaluate such programs to ensure their efficiency and effectiveness.

Likewise, TESDA-Cebu desires to determine the other assistance that it can provide to High Schools in Cebu in the light of K – 12 implementation.

In consideration of the foregoing premises we would like to request for the list of your enrollees in 2015 in Tech-Voc courses in 3rd and 4th year under your jurisdiction, using the attached template.

We anticipate with deep appreciation your favorable consideration on this request.

Thank you and warm regards.

Very truly yours,

ENGR. MARK ANTHONY N. YLANAN
 Provincial Director
