August 4, 2015

Juliet A. Jeruta, Ph. D
Regional Director
Director III

Dear Dr. Jeruta:

Greetings from the science clubbing movement!

The **Philippine Society of Youth Science Clubs (PSYSC)** is a non-stock, non-profit, national federation of science clubs that aims to support science education through effective learning materials and interactive activities to students and teachers and whose main thrust is to **promote the public understanding of science, technology and the environment (PUSTE)** among the youth. For 43 years, it has effectively delivered quality programs and activities to elementary and secondary science enthusiasts across the nation.

Pursuant to Presidential Proclamation No. 264, PSYSC joins the country in celebrating the **National Science Club Month (NSCM)** every September. One of the activities lined up for this celebration is the **PSYSC Science Olympiad (PSO)**. It is an inter-school quiz competition for elementary and high school students all over the country. It aims to promote science, technology and the environment (ST&E) and camaraderie through a healthy academic competition. It has a National Eliminations and those who will qualify in the top 20 all over the Philippines will join the National Finals which will be held also in the same month.

This year, the PSO National Eliminations, which is a kick-off event of the NSCM, is scheduled on **September 5, 2015**.

In this regard, we would like to seek support for this endeavor. We are requesting your permission to allow **De La Salle Andres Soriano Memorial College** to host the PSYSC Science Olympiad National Eliminations on September 5, 2015. We would also like to request for your assistance by **issuing a memorandum or advisory in your division**.

Please allow us to follow up on this matter. Should you have any questions, please do not hesitate to contact us through the number indicated above and you may look for Ms. Rosalinda Aber (Administrative Assistant) or you may contact us through the following key person:
