2. provide updates on EPP Grade IV and Senior High School (SHS) Curriculum and Technical-Vocational-Livelihood (TVL) Track;
3. allow the participants to conduct hands-on training on mini courses aligned with Technical Education Skills Development Authority (TESDA) accreditation for National Certificate (NC) II or III; and
4. empower the Home Economics Related Organizations (HERO's) in pursuing the associations' vision and mission.

The target participants are EPP, TLE, Alternative Learning System (ALS) teachers, coordinators, head teachers, school principals and supervisors from both public and private schools and other academic professionals who are interested in the Senior High School (SHS), and the Technical-Vocational (Tec-Voc) Track.

Relative to this, we would like to request your good office that our activity be endorsed to the different divisions in your region and that participants will be allowed to attend on official business. The conference and training will coincide with the semestral break where they will also be required to undergo in-service training, thus achieving the same purpose for their professional growth and enrichment.

Furthermore, can we also request that their registration fee of Php 5, 500.00 (inclusive of food and hotel accommodation for the duration of the activity, training kits, bags and certificates of participation and other incidental expenses) be charged to canteen funds, TLE/EPP funds, LGU-assisted funds and other legitimate sources subject to the usual accounting and auditing rules and procedures.

Attached herewith are the following for your reference, DepEd Advisory No. 193 s. 2015 and registration form. Should further detailed information be required, please do not hesitate to contact the undersigned.

We are looking forward for your affirmative response on these requests. We believe that your invaluable support will help a lot for the success of our activity.

Thank you and God bless!
