No. 531, s. 2015

PSYSC NATIONAL SCIENCE CLUB MONTH CELEBRATION

To: Schools Division Superintendents
Officer-in-Charge of the Regular Divisions
Heads, Public and Private Elementary and Secondary Schools
All Others Concerned

1. The Philippine Society of Youth Science Clubs, Inc.(PSYSC), invites teachers and students from Elementary and High School to participate in the PSYSC National Science Club Month Celebration with the following scheduled activities:

Activity Title	Participants	Date	Venue
Nationa Science Clubs Summit – mini camp	High School	September 5-6, 2015	Philippine Science High School- Eastern Visayas Campus, Palo, Leyte
I Teach Science Seminar	Teachers	September 5-6, 2015	
Science Olympiad National Eliminations – Quiz Competition	Elementary and High School	September 5, 2015	
Science Olympiad National Finals	Elementary and High School	September 26, 2015	National Capital Region(NCR)
MathSciKa	Elementary and High School	September 19, 2015	

2. For details, please refer to the attached communication and enclosure.
3. The Schools Division Superintendents are given the discretion to act on this request and ensure that DepEd Policies and Guidelines are followed.
4. For information and guidance of all concerned.

Attention: Science Coordinator

Dear Dr. Jeruta:

Greetings from the science clubbing movement!

The Philippine Society of Youth Science Clubs (PSYSC) is a countrywide organization committed in upholding the significance of science clubbing and in promotion of science, technology and environment as its main thrust. In a span of 44 years, the PSYSC has conducted positive, practical and realistic activities and programs for elementary and secondary students which enhance not just the academic perspective of each science clubber but their environmental and social awareness as well.

Pursuant to Presidential Proclamation No. 264, PSYSC celebrates the National Science Club Month every September. The topic for this year is **Materials Science** with the theme, **"Materialize: Synthesizing Ideas. Extracting Knowledge. Forging Science Clubbers as Agents of Innovation."** As part of the celebration, the organization will be conducting different activities which will strongly espouse the science clubbing movement in the Philippines. The National Science Clubs Summit, a one and a half day science clubbing experience specially designed for those who do not get the chance to experience other national activities of PSYSC, will be one of these activities. The Summit is composed of lectures, workshops and other exciting programs which will encourage students to participate in the nationwide campaign of our main thrust and basically advances their solidarity, camaraderie and leadership skills.

This year's Summit is scheduled on **September 5-6 at Philippine Science High School - Eastern Visayas Campus**. We are inviting your office to take part by personally attending or sending a representative to grace our activity and give a short message during the opening program. We are also humbly asking your office to help us in disseminating information about the Summit by **issuing a memorandum or an advisory in your division**. Attached here is the sample format of the memorandum which you can follow.

The organization is very eager on imparting this knowledge in the youth. With your aid and expertise, we may be able to train young minds into an environmentally aware and concerned citizen of this country continually supporting the science clubbing movement and to take part in living a greener and sustainable lifestyle for a better tomorrow.

**2015 NATIONAL SCIENCE CLUB MONTH (NSCM)
CELEBRATION OF THE PHILIPPINE SOCIETY OF YOUTH SCIENCE CLUBS (PSYSC) INC.**

The Philippine Society of Youth Science Clubs (PSYSC) Inc. will celebrate the *2015 National Science Club Month (NSCM)* with the theme *MakeREALIZE: Synthesizing Ideas, Refining Knowledge, Forging Science Clubbers as Agents of Innovation* in September, pursuant to Presidential Proclamation No. 264.

In this connection, the PSYSC will conduct the four major activities on the following dates with respective venues:

Activity	Date	Venue
National Science Clubs Summit (for secondary learners) I Teach Science Seminar (for teachers)	September 5-6, 2015	Ilocos Norte, Cagayan Valley, Cavite, Camarines Sur, Iloilo, Samar, Zamboanga City, Lanao del Norte, Davao del Norte, General Santos City, Surigao del Sur
PSYSC Science Olympiad (for elementary and secondary learners)	September 5, 2015 (National Eliminations)	Zambales, National Capital Region (NCR), Palawan, Mindoro, Cebu *All Summit sites will also conduct PSO Eliminations
	September 26, 2015 (National Finals)	Quezon City
MathSciAKA (for elementary and secondary learners)	September 20, 2015	Quezon City

The NSCM aims to:

1. provide the participants with a venue for learning Science, Technology and Environment outside the four walls of the classroom;
2. foster camaraderie and develop leadership skills among the Science clubbers; and
3. encourage their active participation in the NSCM and hence, the Science Clubbing Movement.

The deadline for submission of Accomplished Forms is on or before *August 21, 2015*.

The target participants are learners and teacher-advisers from both public and private schools.

Participation of both public and private schools shall be subject to the *no-disruption-of-classes policy* stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.

DEPED MEMORANDUM

No. , s.2015

SUBJECT : 2015 NATIONAL SCIENCE CLUB MONTH (NSCM) CELEBRATION

**TO : Regional Directors
Schools Division/City Superintendents
Heads, Public and Private Elementary and Secondary Schools**

1. The Philippine Society of Youth Science Clubs Inc. (PSYSC) is a national organization that supports science education through effective learning materials and interactive activities for students and teachers. It promotes Public Understanding of Science, Technology, and Environment (PUSTE).
2. September has been declared as the National Science Club Month, as in pursuant with Presidential Proclamation No. 264, PSYSC together with the DOST and DepEd are enjoined to hold activities in celebration of NSCM.
3. Cognizant to the significance of the youth to promote PUSTE, PSYSC announces its activities for the upcoming NSCM and aims:
 - a. To provide a venue for learning science, technology and environment outside the four walls of the classroom.
 - b. To foster camaraderie and develop leadership skills among the Science Clubbers
 - c. To encourage active participation in the National Science Club Month and hence, the Science Clubbing Movement.
4. As part of the PSYSC's involvement in the said celebration, the PSYSC announces the *National Science Clubs Summit*, a mini-camp for high school students; the *PSYSC Science Olympiad*, a quiz competition for both elementary and high school; the *I Teach Science Seminar* is a half-day seminar for teachers; and the *MathSciKa*, an engineering science competition for elementary and high school students both in public and private.
5. The *National Science Clubs Summit* together with the *I Teach Science Seminar* will be held on September 5-6, 2015 at Philippine Science High School - Eastern Visayas Campus, Palo, Leyte.
6. The PSYSC Science Olympiad National Eliminations will be on September 5, 2014 and will be held at Philippine Science High School - Eastern Visayas Campus, Palo, Leyte. The National Finals will be held on September 26, 2015 in the National Capital Region.
7. The *MathSciKa* is a Luzon-based activity and will be held on September 19, 2015 in the National Capital Region.
8. For more information regarding NSCM, please contact the PSYSC National Office at Unit 703, West Mansions Condominium, Brgy. Nayong Kanluran, Quezon City 1104 or at (02) 332 8151/ (02) 263 1358 or email us at mail@psysc.org.
9. Immediate and wide dissemination of this Memorandum is earnestly desired.

2014 NATIONAL SCIENCE CLUB MONTH
Tentative Date: September 5-6, 2015

SHAWN REY P. OCAY
psyscsummitcore2015@gmail.com
09334583491

September is considered the **National Science Club Month (NSCM)** under Presidential Proclamation No. 264. During the NSCM, the **Philippine Society of Youth Science Clubs (PSYSC)** conducts activities that encourage the youth to actively participate in the science clubbing movement. Through these activities, PSYSC aims to provide a venue for the interaction of science clubs and to recognize excellence through workshops and friendly competitions. The three (3) main events that will kick-off this year's NSCM are the **National Science Clubs Summit (Summit)**, **PSYSC Science Olympiad (PSO)**, and **I Teach Science Seminar (ITSS)**.

Date: September 5-6, 2015

The **National Science Clubs Summit (SUMMIT)** is a one and a half-day gathering of high school science club affiliates, conducted simultaneously in different regions. The event is an opportunity for the different science clubs to learn from lectures, workshops, and plenary session. The SUMMIT brings the camp experience closer to our affiliates who are not able to attend the National Youth Science Technology and Environment Summer Camp (NYSTESC). Exciting trademark activities of SUMMIT include Sub-camp Quiz Competition and fun-filled Science workshops. SUMMIT also offers the chance to experience MathSciAKA, a event which provides set of interactive workshops.

The **Philippine Society of Youth Science Club Science Olympiad (PSO)** is an inter-school quiz competition for elementary and high school students all over the country. This Olympiad consists of two rounds: (1) the National Eliminations, conducted simultaneously in different regions, which will be a written exam that will challenge the students' knowledge on various science categories, and (2) the National Finals, which will be composed of theoretical and practical rounds. Prizes would include cash, plaques, medals and certificates.

Date: September 5, 2015 (National Eliminations)

The **I Teach Science Seminar (ITSS)** is a two-day activity catering to science teachers of affiliated schools. It is an enrichment seminar packed with lectures, workshops, and discussions for teachers featuring ways on how they can make science teaching fun and interactive. This is PSYSC's way of thanking the teachers for the service they bring to the youth and as well as to the organization.

Date: September 5-6, 2015
