Dear Sir/ Ma'am,

GREETINGS!

For a brief introduction, our company, YOUTHOPA MEDIA PHILIPPINES, INC. has been a leading proponent of youth marketing in the Philippines since 2003. We have been responsible for pioneering several youth marketing campaigns in partnership with the Department of Education (DepEd), the National Youth Commission and various public and private schools nationwide.

This school year, we will be conducting "Whisper Go parin ng Go" a free seminar program to be led by our competent pool of professional speakers & facilitators. The program makes journey through adolescence an easier and more fulfilling trip whether dealing with issues on personal image or self-esteem by mixing fun interactive exercises and dynamic formats that are relatable to teens.

The program emphasizes the importance of understanding the changes that they go through and how they can deal with them positively. This is an enlightening guide to help girls not only stay afloat during their adolescence stage, but to thrive during these pivotal years.

In this vein, we are extending this invitation to enlist your school to this program by signing the school permit attached to this letter. The school permit will allow our team to conduct the 45-minute program to Grades 5,6,7 & 8 female students inside your school within your specified venue.

For clarification, feel free to call us at (02) 813-2356 or 53 or email us at ts_mae_alagao@youthopia.com.ph.

We are looking forward to working with you.

Sincerely yours,

TISHA MAE ALAGAO,
School Marketing Head
Youthopia Media Phils, Inc.

Below are the activities that the team will tackle:

- Overview about Puberty
- Menstruation Myths – Busting out myths about Menstruation through a fun activity
- Like A Girl Challenge (For Grades 7 & 8) – To differentiate the actions of the older levels from the younger levels through a fun activity
- Physical Changes (For Grades 5 & 6) – To familiarize the students about the Physical Changes that they are going through during puberty through a fun activity
- A Demonstration Activity will be held to help the students in choosing the best sanitary pad and teaching them on proper disposal.
- Sampling Activity will be held last to thank the students for their cooperation and give them trial pads.

Thank you so much and hoping for your positive response!
