- 5) Meet the teachers in Grades 9 and 10 and look at the TLE specialization offering for 2016, study possible means of intensifying the Grades 9 and 10 to the Technical and Vocational track that will be offered next year. Grades 11 and 12 will be dealing on higher and complex area of that specialization rather than repeat what had been taken in Grades 9 and 10.
- 6) Campaign among the Grade 6 graduates with inclination on STEM particularly on locations with a Science High School to become the feeder of that Science High School.
- 7) Scout for more school sites to be purchased by the LGU's in highly urbanized cities so congestion will be reduced and stand alone Senior High School will be made possible on SY 2018-2020.
- 8) Other activities which the Division thinks would strengthen Senior High School Program.
- 9) Please be guided accordingly.
