Officer-in-Charge
DepEd Region 7

Dear Director Jeruta:

As part of its continuing pursuit to promote and enhance the level of mathematics research, teaching, and learning in the region, the Mathematical Society of the Philippines Cebu Chapter (MSP Cebu) will hold its **2016 MSP Cebu Research Congress and Convention on 2-3 December 2016** at the DepEd Ecotech Center, Lahug, Cebu City. The theme of the research congress and convention is ***"Making Math Connections: Promoting Awareness of Mathematics, its Beauty and Applications through Research"***.

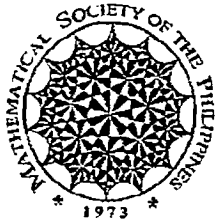

We have invited experts in the different fields of mathematics to be our plenary speakers, and there will also be parallel sessions which will enable researchers in pure and applied mathematics, and mathematics education to present their works.

We have been very fortunate to have DepEd Region 7 endorse all our past seminars, workshops, and conferences. In this regard, may we once again request endorsement of the said activity? Attached herewith is the official announcement and call for papers.

We hope for a favorable response to this request. Thank you very much for your kind attention.

Very truly yours,
