Dear Dr. Angtud,

The Cebu Provincial Sports Commission would like to thank you for the support you have extended during the first Futsal Grassroots Sports Clinic held at Sta. Fe and Madridejos last September 2, 3 & 4, 2016. The event would not have been successful if not for your valuable cooperation.

One of the success indicators of a project or program is its sustainability and further expansion to other recipients and beneficiaries. It is on this regard that we are organizing another Futsal clinic for the municipalities of San Francisco, Poro and Tudela in Camotes Islands. This will be held on October 7, 8 & 9, 2016 at their respective municipal gymnasiums.

As partner in our grassroots sports development program, we would again ask for your support in organizing students to participate in the training from the said school-districts. All schools should send a maximum of two (2) teacher-coaches and two (2) student-athletes to participate in the clinic.

The training is designed for teachers to learn the basic of Futsal as an emerging sport and one of the events under the school sports program of the Department of Education (DepEd). They will have the opportunity to train their own student-athletes during the course under the supervision of our resource persons. Towards the end, they will be able to play in a mini-tournament against each other as a culminating activity.

Lunch and snacks for all participants will be provided by the Cebu Provincial Government.
