Superintendent

DEPED – Cebu Province Division

Sudlon, lahug, Cebu City

Dear Dr. Angtud:

Greetings from Resources for the Blind, Inc.

To further help our learners with low vision in SPED program through our **Primary Eye Care 2 Project, "Ensuring the Continuum of Care"**, our Cebu office in partnership with **USAID** would once again request favor from your office to please allow all enrolled children with low vision to undergo "Clinical Low Vision Assessment". Aforesaid procedure will be conducted by our partner ophthalmologists and optometrists. Prescribed low vision devices will be subsidized by our office.

With this, may we request assistance from your office for the transportation of the students and SPED teachers to and from the clinic, charge to the MOOE/local or SPED funds. Kindly check the attached list of schools identified with visually impaired students.

Thank you very much for partnering with us.

Sincerely yours,

JOY C. FEDELIS
