DepEd RO7 Advisory No. 24 s. 2017

February 16, 2017

(In compliance with DepEd Order No. 8, s.2013, this advisory is issued for the information of DepEd officials, personnel/staff, as well as the concerned public.)

2017 SEARCH CONVENTION OF THE PHILIPPINE SOCIETY OF YOUTH SCIENCE CLUBS INC.

1. This Office is hereby disseminating the communication from the Philippine Society of Youth Science Clubs (PSYSC) inviting all elementary and secondary science clubbers and teachers to the 2017 SEARCH Convention, as part of the Annual Search for the Most Outstanding Science Club (SEARCH), on February 24-25, 2017 at the University of the Philippines, Diliman, Quezon City.
2. The SEARCH Convention serves as a venue where science clubbers can immerse themselves in plenary discussions on Global Sustainable Development, inspirational science, technology and career-oriented talks, and contests.
3. For details, refer to the attached communication from Lanze Allen C. Magalona, SEARCH 2016 Secretariat Head.
4. Participation of both public and private schools shall be subject to the *no disruption of classes policy* stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.
5. For the information of all interested and concerned parties.

Juliet A. Jeruta
Regional Director
Department of Education Regional Office – Region VII

Dear Ms. Jeruta:

Greetings from the science clubbing movement!

For 45 years, the Pambansang Kaplisanan ng mga Kabataan Samahan ng Agham (Philippine Society of Youth Science Clubs), Inc. serves as the largest science club umbrella organization of the country. PSYSC remains to be the frontrunner of the science clubbing movement through conducting activities that provide alternative learning experience among elementary and secondary science clubbers. With this, PSYSC continues to develop a community geared towards scientific learning and innovation, while also emphasizing the roles of science clubs in (1) nation building and (2) promoting the thrust of the organization – the Public Understanding of Science, Technology, and Environment (PUSTE).

In an effort to acknowledge the endeavors of these science clubs and their members, PSYSC holds The Annual Search for the Most Outstanding Science Club (SEARCH) which is comprised of two major events: the *SEARCH Competition* and the *SEARCH Convention*.

The *SEARCH Competition* has the goal of finding and recognizing the nation's best science clubs which will be able to deliver the most innovative idea for the purpose of finding solutions to the most significant issues of the country. It is screened through four levels, with the following criteria: (1) Main Project, (2) STE Activities Conducted, (3) Multi-Sectoral Support, (4) Presentation, and (5) Public Recognition and Prominence. This year, more than 50 elementary and secondary level science clubs around the country registered as participants of the Competition. Full guidelines for the *SEARCH Competition 2016* are posted and can be accessed on our Facebook page: www.fb.com/psysc.search. The deadline for submission of portfolios is on November 28, 2016.

The *SEARCH Convention 2017*, with the theme *Redefining Science Clubbing in the 21st Century*, is a two-day gathering of science clubbers and teachers from elementary to senior high school. The Convention will be held at the University of the Philippines, Diliman, Quezon City on February 24-25, 2017. It is a venue where science clubbers can immerse themselves in plenary discussions on Global Sustainable Development, inspirational science, technology, and career-oriented talks, and contests. Moreover, the Convention will serve as the culminating event of the Competition, where finalists will present their main projects and 2016's most outstanding science clubs will then be awarded.

Participants for the SEARCH Convention 2017 will be composed of science club members and advisers from all over the country, Regional Council Chairpersons, and the finalists for the Most Outstanding Science Club.

In connection to this, we humbly request your office to grant us an issuance of a memorandum or advisory for immediate information dissemination regarding SEARCH. Attached here is a sample format of the advisory you can follow.

The organization is very eager on imparting this experience, the SEARCH, to the youth. With your aid, we can train young minds to be innovators of the future, leaders of the society, and environmentally responsible citizens of the country.

Please let us follow up certain matters regarding this. Should you have any questions, please do not hesitate to communicate with us using the contact details in this letter.

Thank you very much and more power!

In the service of the Filipino Youth,

LANZE ALLEN C. MAGALONA
Secretariat Head

**2017 SEARCH CONVENTION OF THE PHILIPPINE SOCIETY OF YOUTH
SCIENCE CLUBS INC.**

The Philippine Society of Youth Science Clubs (PSYSC) Inc. will conduct its 2017 SEARCH Convention as part of the *Annual Search for the Most Outstanding Science Club (SEARCH)* to be held from February 24 to 25, 2017 at the University of the Philippines, Diliman, Quezón City.

The SEARCH Convention aims to gather science clubbers and teachers from elementary to senior high school. It serves as a venue where science clubbers can immerse themselves in plenary discussions on Global Sustainable Development, inspirational science-, technology-, and career-oriented talks, and contests.

Moreover, the Convention serves as the culminating event of the Search for the Most Outstanding Science Club where finalists will present their main projects and 2016's Most Outstanding Science Clubs will be awarded.

The target participants are members and advisers of Science Clubs from both public and private elementary, secondary, and senior high schools nationwide.

Participation of both public and private schools shall be subject to the *no-disruption-of-classes policy* stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.
