Dr. Rhea Mar A. Angtud
Schools Division Superintendent
DepED, Schools Division of Cebu Province
Cebu City

Dear Dr. Angtud:

Greetings!

Since 2009, the Cebu City government through the Cebu City Sports Center and the Department of Education, Division of Cebu City in cooperation with Robinsons Galleria Cebu and the Philippine Foundation for Science and Technology hosted the PFST'S Travelling Science Exhibits which attracted thousands of students from public and private schools in Cebu and neighboring provinces.

Inspired by the overwhelming success in our previous hostings and as part of our commitment to educate our young students with fun, we bring once again the PFST's set of travelling exhibit which features 29 hands-on interactive science equipment. Each equipment offers a unique medium for science and technology learning which will be exhibited at the Robinsons Galleria Cebu from August 7 -September 24, 2017. The exhibit is open from 9:00a.m. to 6:00pm, Mondays-Saturdays.

In this connection, we would like to invite students and teachers to experience learning with fun. The amount of P60.00 shall be collected from each visitor as entrance fee. For exhibit inquiries, interested parties may contact Dr. Daniio G. Gudeiosao, OIC-Assistant Schools Division Superintendent at (032) 2539095 and for booking arrangements, please contact Ms. Maria Luisa Sasan at telephone numbers (032) 254-8567; or at mobile numbers at 0920-4595039/0923-4416276.

We would also like to invite you and your Education Program Supervisor in Science to grace the opening of the exhibit on August 7, 2017 at 10:00A.M. at Robinsons Galleria Cebu, Cebu City.

Thank you very much.

Very truly yours,

BIANITO A. DAGATAN, CESO V
Schools Division Superintendent &
