Re: **Reading Remediation Support Pilot (RRSP) Debrief Meeting**

Dear **Superintendent Angtud**,

Greetings!

As you may know, Basa Pilipinas is in the final stage of implementation for its Reading Remediation Support Pilot (RRSP). RRSP was conducted with the objective of testing out a three-stage process for providing remedial reading instruction to Grade 1 and Grade 2 learners. Basa Pilipinas works with a total of 50 teachers from 25 Basa-assisted schools.

In the past year, Basa Pilipinas conducted a number of activities which include two cycles of training and data collection activities (i.e. EGRA, and RRSP School Visits). As a concluding activity for RRSP, we will conduct a debrief meeting on March 6, 2018 at DepEd ECOTECH Center. The objective of this debrief meeting is to evaluate the overall implementation of RRSP. Please see attached activity flow that will start at 10:30 am until 5:00 pm.
