Dear Dr. Jeruta,

Warm greetings from Resources for the Blind, Inc.!

We would like to extend our warmest gratitude for the support you have extended to our programs and services.

To further help our learners with visual impairment especially those with multiple disabilities (MDVI), we wish to conduct consultation visit to the aforementioned students in school. The said visit aims to provide technical support to our trained SPED Teacher and parents assessing appropriate curriculum, daily program and routine including their dreams and life goals for our learners with MDVI in school, home and future work.

We would like to ask the presence of the parents/caregivers and the School Administrator to join for a consultative meeting in making the Individualized Educational Plan (IEP) for the students to be reflected in the coming school year 2018-2019.

May we ask your good office to allow our staff, **Ms. Chesa O. Romares**, **Ms. Mycell D. Importante** and **Mr. Ryan Q. Operario**, our Education Program Coordinators to visit the SPED program for the Visually Impaired in your region from March-December, 2018?

Enclosed is the list of schools for your reference.

We anticipate for your favorable response regarding this matter.

Sincerely yours,

**JOY C. FEDELIS**  
 OIC, RBI- Cebu Branch
