Dear IT Officers,

Hope you are doing well. This is Shayne from **Nielsen Philippines** and I am the over-all project lead for this **Baseline Data Survey**. With the release of signed memo we humbly request if you could do the following:

- 1) Upload a copy to your division websites.
- 2) Inform all principals / school heads to download copies (one for each school)
- 3) Inform that we will connect with them to schedule our actual school visit (which begins May 28).
- 4) Ask them to accomplish the questionnaires pages 44-58 (Annex B) before our school visit.

Hope we can finish the above tasks as early as we can because we are already contacting our Superintendents offices for the courtesy calls and the school visits will commence starting May 28 as stated above.

Should you have any questions regarding the Survey, you may contact assigned Nielsen representatives per region or you can reach me thru this no. 09778113574.

We look forward working with you in providing better education for the Filipino children.

Please confirm receipt of mail.

Thanks,

Shayne Sulbuan
