Madame:

Greetings.

It is with a heavy heart that I write this letter to inform your most respected office about the heartbreaking plight of my daughter Ms. Aline D. Mabras, ICT Coordinator, and Teacher 1 of Cordova Central School, District of Cordova.

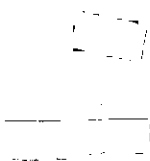

I am Mrs. Era D. Mabras, the school administrator of Catarman Elementary School and my daughter Aline D. Mabras was diagnosed with **Right Frontal Tumor High Grade Glioma** on April 22, 2018. She has undergone surgery to remove the tumor but unfortunately, the biopsy turned out that the tumor was malignant. Her attending physician advised us to let our daughter undergo a one-month radiation therapy to destroy the cancerous cells.

In this view, I am knocking at your most benevolent heart and seeking financial assistance from DepEd Cebu Province Family to help us cover the hospital and radiation treatment bills of my daughter. Any immediate assistance will be very much appreciated.

Attached herein is my daughter's medical certificate for your perusal.

Sincerely yours,

  
**ERA D. MABRAS**
