1. Republic Act No. (RA) 10157, or the *Kindergarten Education Act of 2012*, declares that it shall be the policy of the State to provide equal opportunities for all children to avail of accessible mandatory and compulsory kindergarten education.
2. RA 10157 and RA 10533, or the *Enhanced Basic Education Act of 2013*, provide that kindergarten education shall mean "one year of preparatory education for children at least five (5) years old as a prerequisite for Grade 1."
3. The Department of Education (DepEd) is vested, under RA 10157, with the authority to regulate the organization, operation and/or implementation of the kindergarten education program of both public and private schools. The DepEd is further charged with the function to oversee and supervise the organization, operation and implementation of the kindergarten education program and exercise authority over the operation of private kindergarten institutions.
4. The kindergarten curriculum is designed to respond to the holistic developmental needs of five (5) year old learners along socio-emotional, values, physical health and motor, aesthetic/creative, mathematics, understanding of the physical and natural environment, language, literacy, and communication. Moreover, the first quarter of the curriculum is designed to strengthen the learners' preparation to meet the Kindergarten learning standards.
5. In view of the foregoing considerations, the Department hereby issues this Order clarifying the applicability of DepEd Order No. 47, s. 2016, or the *Omnibus Policy on Kindergarten Education*, to both public and private schools, thereby amending said Order to read as follows:

However, the school may consider learners entering Kindergarten who will turn five (5) years old by the end of August on the condition that the **Philippine Early Childhood Development (ECD) Checklist must be administered to the learner** prior to the start of the opening of the school year, to ensure that the learner is capable of meeting the expectations of the grade level. Parents may provide documentation and/or certification of the learner’s previous Early Childhood Education (ECE) experiences (i.e., preschool, day care, pre-Kindergarten) in addition to the results of the Philippine ECD Checklist.

For schools commencing their school year beyond June, the requirement that Kindergarten learners should be five (5) years old by June 1 and the extension period ending on August 31 shall be adjusted. For schools commencing their school year in July, Kindergarten learners should be five (5) years old by July 1 and the extension period shall be until September 30. “E. Private schools may impose special or additional admission requirements that are consistent with their right to operate as a private school as provided for under existing laws, rules and regulations. Such additional requirements may include, but not limited to the following:
