Background and Rationale

The PCEP was conceived in response to the promulgation on 11 August 2001 of Republic Act 9155, "An Act Instituting a Framework of Governance for Basic Education, Establishing Authority and Accountability, Renaming the Department of Education, Culture and Sports (DECS) as a Department of Education (DepEd) and for other Purposes". Formulated through an NCCA Board Resolution in 2001, and operationalized by a Task Force in 2002, the PCEP envisions a nation of culturally literate and empowered Filipinos by ensuring that culture is the core and foundation of education, governance, and sustainable development.

The law, while effectively reaffirmed cultural education as an integral part of basic education, had transferred this responsibility and administrative supervision of cultural agencies formerly attached to DECS to the NCCA.

Three strategic goals of PCEP which included the:

Establishment of an index of knowledge on Philippine culture;

 Development of culture-based instructional materials based on minimum learning competencies and standards on culture;

3. Implementation of cultural education programs to reach various beneficiaries through formal, non-formal and informal structures.

It was designed to make cultural education accessible to all sectors of Philippine society, particularly the youth, teachers, artists and cultural workers, officials and employees of the government, members of the media, and civil society.

PCEP Institutional Intended Learning Outcomes (Competencies) of the Graduate of NCCA-PCEP Formal and Non-Formal Programs are expected to

- 1) Manifest critical and creative thinking skills
- 2) Design culture-based instructional materials
- 3) Employ innovative culture-based pedagogy
- 4) Inculcate a sense of nationalism and patriotism
- 5) Demonstrate expertise in Philippine history, heritage, culture and the arts

- 6) Exercise leadership skills in respective communities
- 7) Conduct culturally-relevant research
- 8) Initiate national, regional, and global connectedness
- Conduct oneself in accordance with highest professional and ethical standard
- 10) Commit oneself to lifelong learning

The National Cultural Heritage Act of 2009 (RA 10066) mandates the Department of Education, in coordination with the NCCA's Philippine Cultural Education Program (PCEP), to "formulate the cultural heritage education programs both for local and overseas Filipinos to be incorporated in the formal, alternative and informal education, with emphasis on the protection, conservation and preservation of cultural heritage properties" (Article X, Section 38).

Prior to the enactment of RA 10066, the NCCA PCEP has initiated the National Cultural Mapping Project which formed the database for the Philippine Cultural Index (PCI). Out of these data, significant cultural icons and symbols were culled to become the basis for the Essential Knowledge on Philippine Arts, Culture and Heritage for the Basic Education Curriculum (EKPACHBEC), now known as the SAGISAG KULTURA NG FILIPINAS (SKF). In 2013, a fully-packaged SKF will contain the cultural icons and symbols of the seventeen (17) geographic regions of the country written in the languages of the regions with Filipino translations. These previous initiatives are seen as important steps in developing a culture-based curriculum with emphasis on mother-tongue instruction and learning approach.

Objectives

- 1. To empower teacher-participants with creative approaches, pedagogies and strategies for the integration of culture and the arts across the curriculum;
- To demonstrate how basic cultural literacy creates resonant knowledge and renewed awareness of learning skills and competencies among the learners; and
- 3. To present culture-based exemplars for the basic education curriculum
