Dear **Dr. Angtud,**

Greetings!

The NORFIL Foundation, Inc. has extended the implementation of its Community-Based Inclusive Development Program for children and youth with disabilities in the Municipalities of San Francisco, Poró, and Tudela, Bantayan, Sta. Fe, Madrideojos, Ronda, Alcantara, Moalboal, and Alegria from 2017-2021.

As part of our ongoing partnership in enhancing the knowledge and skills of public school principals and teachers on disability, rehabilitation, and inclusive education of learners with disabilities, the Foundation plans to conduct three (3) batches of live-in training on **"Basic Concept of Disability and Laws and Policies on Inclusive Education"** to District Supervisors, Public Elementary School Principals/Heads, and Teachers of the aforementioned areas.

In relation to this, may we respectfully invite the District Supervisors, School Principals, and teachers of the identified schools (enclosed in this letter) to our trainings. NORFIL will take care of their meals and accommodation.

The objectives of the training are for the participants to:

1. Have appropriate knowledge, skills and attitudes on the correct concept of disability and habilitation, and rehabilitation;
2. Enrich their skills in assessing and identifying learners with disability;
3. Enhance their capabilities as implementers of rehabilitation services; and
4. Further their knowledge on the different laws for children with disability, inclusive education, and Education for All (EFA).

You may contact 340-1170 or 0917.114.2351 for clarifications and look for our Training Officer Glenn Tek-ing Muñez.

For the inclusive development of children and youth with disabilities, we remain.

Respectfully,

A handwritten signature in black ink, appearing to read 'Angelina A. Dungog', is written over a faint circular stamp.
