### **Old Update May 16, 2018:**

Mandated by RA 7797 to lengthen the school calendar from 200 days to not more than 220 class days, the number of school days for SY 2018-2019 is set to be 205. Classes shall begin on the first Monday of June.

For SY 2018-2019, DepEd requires all public and private elementary and secondary schools to comply strictly with the 180 class days non-negotiable contact time for actual teaching and learning and the remaining 25 class days for quarterly examinations, parent-teachers conferences, co-curricular and extra-curricular activities, and the semestral break in-service training with a minimum of 205 class days a year.

This is an unofficial advisory. The official DepEd school calendar for SY 2018-2019 will be posted in this site as soon as the official DepEd Order is released this week.
