Dear **Dr. Angtud**:

In the pursuit of promoting environmental awareness, the Department of Environment and Natural Resources (DENR) through the Environmental Management Bureau - 7 will be conducting the **third leg** of Green Film Festival (GFF) on **August 14, 2018** at the **three SM malls** here in Metro Cebu, namely: **SM City Cebu, SM City Seaside, and SM Consolacion**.

The GFF shall serve as an instrument for the youth's ecological reflection and awareness through short video clips and movies about climate change, global warming, water conservation, and other environment-related issues. It also aims to enable students to have a broader insight when it comes to the preservation of our environment and natural resources.

In this regard, we would like to request your good Office to issue a Memorandum Circular to selected high schools under your jurisdiction, for each of them to send students together with their Teacher/Adviser to **Cinema 3 of SM Consolacion**. We have attached the list of suggested schools with number of participants that may attend the GFF event based on the proximity of their area.

Please see attached program for your reference. The next schedule of the GFF will be on October 2018.

Should you have concerns and inquiries regarding this matter, please contact my staff, Ma. Fatima R. Secuya at 0932-530-6945 or Joy B. Molina at 0926-016-1650 and/or email us at eeis.emb7@gmail.com. You may also reach us through (032) 346 1647.
