Subject: Request for Endorsement for Kids' Workshop

Dear Dr. Rhea Mar Angtud:

Maayong adlaw!

Palm Grass, the only heritage hotel in Cebu, is looking to engage Cebuanos, especially the youth, to learn and explore about our colorful and valiant heritage.

To achieve this, the hotel incorporates many distinct fixtures and features that retell our Cebuano traditions, culture and history. We also employ contemporary forms of media such as filmmaking to tell the new generation about our heritage.

After the success of our community-made short fiction film "Kinasing", we are now exploring to make a new film next year on the life of Cebuano hero Leon Kilat and his leadership in the 1898 Cebu Revolution against Spain. This is a story which we need to tell our children, thus, we deem that it will only be appropriate for children themselves to be a part of the process to make it.

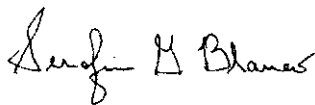

Hence, Palm Grass is looking to hold a writing workshop for kids this **October 6, 2018, 8AM to 12NN** where a literary writer on children's stories will facilitate the workshop. We will be inviting students from elementary school publications.

In line with this, we are **requesting for an endorsement from your office**. We are attaching the official letter of invitation for your signature.

As schools are one of the most important avenues for cultural transmission, your positive response will go a long way in the promotion of our Cebuano heritage.

Daghang salamat!

Sincerely,
