Dear Madam:

Greetings of peace and love!

I am writing this letter to implore financial assistance for Mr. Jupith C. Ponting, one of my teachers at San Miguel NHS, San Miguel, San Remigio, Cebu.

He met a vehicular accident last Monday, August 27, 2018 on his way home from Liloan. He went there for a sole purpose which was to buy shuttlecock for his badminton players because there's no available stock in the nearest department stores in Bogo. For the passion to coach and for the love of work, he tried all means just to provide his players with the best equipment.

This mishap really shattered our hearts because he suffered severe spine damage that needs immediate operation. He is confined at Perpetual Succour Hospital and momentarily, is only given pain reliever to ease his suffering. The operation is very expensive and his income will never suffice its cost since Mr. Ponting, though single, is the breadwinner of the family. He no longer has father and has to support basically the needs of his two younger brothers and a widowed-mother. They apparently depend on him in most times.

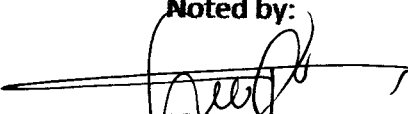

We believe that you can be the greatest instrument of God's mercy and love. You madam, being the mother of the DepEd Cebu Province, can make a difference in this battle for life.

Your kind attention to our plead is a bliss to our saddened hearts.

Very Respectfully Yours,

VIVIAN A. CEJANO
School Head
