Dear **Director Jeruta**,

Warm greetings from Mandaue City, Cebu!

Mandaue Chamber of Commerce & Industry (MCCI) is a non-stock, non-profit organization composed of over 365 business establishments in the province of Cebu. One of MCCI's missions is to provide strategic services to its members and the business community through various business development and human resource development programs.

This year, MCCI hopes to assist and improve the bakery industry of Visayas and Mindanao through a convention titled, "**Bakery World 2018**" that would be held on October 2018.

The MCCI Bakery World 2018 is a three-day event allowing bakeries and food industries throughout Visayas and Mindanao to have access to new technologies, market trends, and available products and services that suppliers in the industry can provide to help their businesses.

During the event, various seminars will also be held to help businesses improve, such as seminars on how to start up one's own bakery as well as updates on business and regulations that surround the industry. To create excitement, competitions will also be held to showcase various companies' works on baked goods from decorating to cuisine.
