4th INTERNATIONAL RIVER SUMMIT
Raising awareness, commitment and resources for the river

22 - 24 November 2018
Mandaue City, Cebu, Philippines

18 October 2018

Director Juliet A. Jeruta
Regional Director
DEPED 7
Government Center, Sudlon, Lahug, Cebu City

Dear Director Jeruta:

The League of Cities of the Philippines (LCP), the Department of Environment and Natural Resources-River Basin Control Office (DENR-RBCO) together with the Mandaue City Government are jointly organizing the 4th International River Summit on November 22-24, 2018 at the Radisson Blu Hotel, Cebu City. The Summit is expected to gather at least 800 participants from local government units, national/federal agencies, private sectors and the academe globally.

With this year's theme, "Raising Awareness, Resources and Commitment for the Rivers", the Summit aims to provide an interactive venue to discuss pressing issues and challenges of common and critical concern relevant to the world's rivers, share best practices and innovative solutions, as well as the development of key policy frameworks and instruments for sustainable river management and rehabilitation. The Summit is designed to foster information and knowledge exchange on the latest technology and approaches on river basin governance from the different participating countries. This year's Summit will also include an international river exhibit and several side events.

In this regard, we invite you and your colleague to attend the summit. We strongly believe that your organization's participation can help us achieve the Summit objectives particularly in sharing experiences, raising awareness, resources and commitment from stakeholders and partners. We would be extremely delighted if you can join us at the Summit. Further, we humbly request your assistance in promoting the Summit to your organization and other interested individuals.

The registration fees include access to the summit session, participation in the discussions and to MIRRX 2018, invitation to social events and product presentations, refreshments for the entire duration of the summit, kits, IDs and certificate of participation. Paid tours and accommodation are excluded in the registration package.
