Dear Dr. Angtud,

A fine and bright day!

May I humbly inform your well-respected office that Teacher II, Mrs. PRISCILLA CABRERA CARRIAGA passed away yesterday, November 25, 2018. Her passing was due to hypertension and heart attack last Friday, November 23, 2018. She was confined right away to Cebu Doctor's Hospital but sad to note that she was in critical condition (comatose) due to blood clot and according to the doctor her brain could no longer be operated.

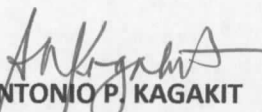

She was 58 years old on October 7, 2018 and 31 years in the teaching service.

Pertinent papers like sick leave of absence, etc. were not prepared due to the sudden attack. I am appealing to you what to do on this matter.

The family is in need of financial. Aside from this, as the school head of this said school, I am expecting that this case be given consideration for failure of having such documents as to her file for Form 6 and whatever that will testify her actual and official leave.

Thank you for your immediate action.

Very truly yours,

ANTONIO P. KAGAKIT
