Madam:

**Greetings of Peace, Love and harmony! Hope as you read this letter you're more blessed with God's grace and glory.**

It is with a sober heart to inform your prestigious office about the health condition of **Mrs. ESTER M. PEPITO**, 53 years old and a dedicated Grade II teacher of LILOAN CENTRAL SCHOOL.

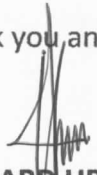

Mrs. **ESTER M. PEPITO** was diagnosed of **Rheumatic heart disease and Severe Mitral Stenosis**; she was admitted in **CHONG HUA HOSPITAL**. Mam ESTER, was just recovering from a major operation " **Cononary Angiogram to ease out Concomitant Coronary Artery Disease (CAD)**" which approximately cost ₱ 620,483.06 as per Statement of Account (attached discharge Summary/clinical abstract).

We know that having such condition in a family can provoke a real crisis, especially when the finances are tight; the costs for the hospital bills and immediate aftermath are steep. Asking financial support is a gracious way for the DepEd Cebu Province to support his family in this breaking point.

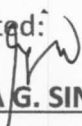

In this connection, I am humbly knocking on your benevolent heart and seeking for financial assistance from DepED Cebu Province family to help him defray his medical expenses and hopefully for the Medicines she needs to take for her fast recovery." **For it is in giving that we receive"**

Thank you and God bless as more!!

Respectfully;

  
**GERNARD URACA**  
Liloan Central School  
Faculty President
