SPECIAL SCIENCE AND COMPUTER EDUCATIONAL DEVELOPMENT PROGRAM

Thru: Infinity Educational Development System
In Cooperation with Department of Education
Address: Villa Bulsita, Bulacao, Cebu City

To the Division Superintendent
Department of Education
Division of Cebu Province

Sir/Madam:

In the desire to help students, particularly those who nurture special interest in the field Science and Technology, the **INFINITY Educational Development Program**, has embarked on a kind of development project designed to provide broadened perspective among the students as well as their parents on matters regarding Science and Technology. The programs called the **Infinity Educational Program project**, aims to link the home and the school together to enable them to appropriate respond to the special needs of parents and understanding the learning process of their children.

To promote and develop Science Consciousness in the youth, the **INFINITY Educational Development Program** offers to help them in Science and Technology references materials and advance Computer Training Study. This will enhance in each student the basic know how in science and the degree of computer literacy relevant to globalization. While the program aims to help every student attain proficiency in their academic pursuits, it may also reduce the financial burdens of parents who have to cope up with the high cost of education, particularly on price of books and tuition fees.

Under this scheme science quizzes shall be administered to all primary and secondary students in both private and public schools within the Division. Those students who will hurdle the test will be given a special privilege to avail of some academic books as well as computer reference materials. Here, the participation of the parents are only the miscellaneous expenses in transporting these materials from the point of its origin to the resident of their recipient.

Likewise the students will be given the **FREE HANDS – ON ADVANCE COMPUTER STUDY** in prestigious computer school near your locality.

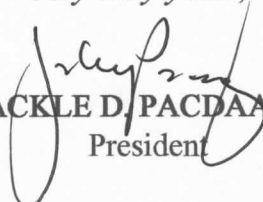

The program is very essential but voluntary and is not compulsory on the part of the parents concerned.

Along with the foregoing premise, the permission of your office to give the aforementioned quiz to your students is respectfully requested.

The universal fact stands that the more we learn the greater is our chances for success.

Please allow us to thank you in anticipation to your favourable consideration hereon.

Very truly yours,

JEACKLE D. PACDAAN
President
