MADAM:

The undersigned would like to ask an aid from your office for and in behalf of **MRS. FLORAMIE BARQUILLA**, Teacher 1 of Tuble Elementary School, Moalboal District who has been hospitalized due to a vehicular accident. Major surgical operation needs to be done the soonest possible time to address the blood clot on her brain. As of this moment she is on a **COMATOSE** situation.

Aside from bearing the pain and the uneasiness brought by the accident on the part of her family, they also need to find means to provide the huge financial amount (approximately half a million) to cover the procedural medical expenses and the coming holidays also worsen the situation for they could not be able to transact business.

It is for this reason that the undersigned opted to write this letter hoping that the department she is serving could provide financial assistance. Any amount would be surely appreciated and would surely help spare the life of the unsung hero.

Looking forward for a positive and expeditious response to this request.

Thank you so much and God Bless.

Very truly yours,

DENNIS Q. CANETE
