DR. JULIET A. JERUTA

Regional Director

Department of Education Region VII

Lahug, Cebu City

Dear Dr. Jeruta,

We, the **Visayas Rugby Football Union (VRFU)**, a member of Philippine Rugby Football Union - a National Sports Association and member of the PSC-POC, have long been working towards promoting the sport in the country. We envision making Rugby Union a recognized and popular sport in the Philippines, played by Filipinos. In Cebu, the VRFU and Cebu Dragons Rugby Football Club is in partnership with Philippine Sports Commission and Cebu City Sports Commission in the pathway to this vision.

Persuant to the 1987 Constitution of the Republic of the Philippines Article XIV Section XIX, states that:

- (I) The state shall promote physical education and encourage sports programs, league competitions, and amateur sports, including training for international competition to foster self-discipline, teamwork, and excellence for development of a healthy and alert citizenry.
- (II) All educational institutions shall undertake regular sports activities throughout the country in cooperation with athletic clubs and other sectors.

The Cebu City Sport Commission in cooperation with DepEd Cebu City Division have been supporting our grassroots programs since 2014 by allowing us to conduct free clinics, training sessions and tournaments in elementary schools in several districts. As of today, there are 12 public schools from 2 different districts and we hope to further increase the number of schools/district to benefit from our grassroots rugby program: the **World Rugby Get Into Rugby**.

The **Get Into Rugby (GIR)** program is part of **World Rugby** (the rugby international governing body) strategy to grow the game globally in partnership with PRFU and other member countries. The program is a central part of the World Rugby initiative to grow rugby as the sport rejoined the Olympic Games in Japan 2020.

Through this program, we offer to you a free **World Rugby Get Into Rugby Coaching Course** in preparation for S.Y. 2019-20. Please find attached is the proposed Timetable. VRFU will be supported by **New Zealand Aid (NZ Aid)** to run this project.

The NZ Aid will be able to provide the Visayas Rugby Football Union a grant to provide:

1. free PE teachers training courses for coaching and refereeing;
2. provide equipment needed by every school who will participate in the duration of program implementation (1 ball per teacher and 10 cones); and,
3. support in organizing tournaments.

We hope for your positive feedback on this matter. Should you have questions and other inquiries, feel free to contact me at rugby.maggieroyo@gmail.com or at +639333003336 or +639176319746 or (032) 414 2162. Thank you very much. God bless us all.

Respectfully yours,
