**MEMORANDUM**

To : **DR. RHEA MAR A. ANGTUD** Schools Division Superintendent  
SDO – Cebu Province  
**DR. NIMFA D. BONGO** Schools Division Superintendent  
SDO – Bohol

**DR. ROSALIE M. PASAOL**  
Schools Division Superintendent  
SDO – City of Bogo

Subject : **Academic Outreach Projects for Math, Science, English and Abstract Reasoning**

Date : June 17, 2019

The Philippine Science High School – Central Visayas Campus (PSHS-CVisC) will conduct the Academic Outreach Projects in the areas of Math, Science, English and Abstract Reasoning for Grades IV-VI Top Ten Pupils in select areas in the Divisions of Bohol, Cebu Province and City of Bogo.

The said program is geared towards STEM promotion. It would also provide an opportunity for learners in the identified areas to increase their chances in passing the PSHS system scholarship qualifying examination – the National Competitive Examination (NCE).

The indicated schedules of the said academic outreach project are outlined below:

Outreach Projects for:	Preferred Dates	Preferred Venues	Towns Involved
Northeastern Bohol	June 22 & 23, 2019 July 13 & 14, 2019	Ubay Central ES	Ubay, Pres. C.P. Garcia (Pitogo), Bien Unido and Inabanga
Camotes Islands	June 29 & 30, 2019 August 3 & 4, 2019	San Francisco Central ES	San Francisco, Poro, Tudela and Pilar
Bantayan Island	July 6 & 7, 2019 August 10 & 11, 2019	Sta. Fe Central ES	Sta. Fe, Bantayan, Madrideojos
Northern Cebu	Every Sunday from August 18 to October 13, 2019	Bogo Central ES I	Bogo City, Tabogon, Borbon, San Remigio, Daan-Bantayan and Medellin

For reference, attached is a copy of the communication from PSHS-CVisC Campus Director, Dr. Rachel Luz V. Rica.

For your guidance and information.

Subject: **Conduct of Aptitude Enrichment for Grades IV - VI Top Ten Pupils for Selected Divisions**

Dear **Dr. Jeruta**:

In line with our Office Performance and Commitment Review (OPCR) under the STEM promotion program of the Philippine Science High School - Central Visayas Campus (PSHS - CVIS), we targeted to have takers in the PSHS system scholarship qualifying examination - the National Competitive Examination (NCE) in the municipalities of region VII who are not well-represented in our campus such as the islands of Bantayan, Camotes, northeastern part of Bohol and northernmost part of Cebu. In addition, one of our faculty who just came from a grant under the Fulbright Distinguished Awards in Teaching Program from Arizona State University would like to implement his inquiry project entitled "Scientific Reasoning Enrichment Modules" to fourth graders in the region. Most importantly, this is to ensure **EQUITY** by giving a chance to these students from these far-flung places to pass the NCE and become PSHS scholars. Thus, we would like to request approval from your good office to conduct the academic outreach projects in the areas of **Math, Science, English** and **Abstract Reasoning** in the indicated schedules as outlined below:

Outreach Projects for:	Date	Preferred Venue	Towns Involved
<b>Northeastern Bohol</b>	June 22 & 23, 2019 July 13 & 14, 2019	Ubay Central Elementary School	Ubay, Pres. C.P. Garcia (Pitogo), Bien Unido and Inabanga
<b>Camotes Islands</b>	June 29 & 30, 2019 August 3 & 4, 2019	San Francisco Central Elementary School	San Francisco, Poro, Tudela and Pilar
<b>Bantayan Island</b>	July 6 & 7, 2019 August 10 & 11, 2019	Sta. Fe Central Elementary School	Sta. Fe, Bantayan and Madridejos
<b>Northern Cebu</b>	Every Sunday from August 18 to October 13, 2019	Bogo Central Elementary School I	Bogo City, Tabogon, Borbon, San Remigio, Daan-Bantayan and Medellin

The proposed schedules of the academic outreach projects will be from 8:00 AM to 3:00 PM in the indicated dates. Furthermore, we would like to request the following:

- (1) **point person per area** indicated above for us to contact with and to disseminate to the schools covered and facilitate the enlisting of participants. Participants must be **top ten** current grades IV to VI pupils whose **final grades in Math and Science are 85 and above in the previous grade level;**
- (2) **at least five classrooms** for the conduct of the academic outreach programs with electricity
