DIVISION MEMORANDUM
No. 403, s. 2019

**CONDUCT OF ORIENTATION ON PARTNERSHIP BUILDING
FOR SCHOOL ADMINISTRATORS**

TO: Assistant Superintendents
Chiefs of SGOD and CID
Division Supervisors/Coordinators
SEPS and EPS 2
District Supervisors/OICs
Elementary and Secondary School Heads

1. This pertains to the partnership of Nature's Spring Foundation Inc., with the Department of Education on the Bote Challenge, a plastic upcycling project which seeks to utilize the creative energies of the youth in recognizing, promoting and adopting sustainable practices on plastic waste management within communities. The project is currently on its third phase of implementation which focuses on the ideation workshop and coaching on presentation skills.
2. Relative to this, the Nature's Spring Foundation, Inc., will be conducting a Ideation and Coaching Workshop on Presentation Skills to identified schools in the North on July 17, 2018 at schools in the South on July 18, 2019 at Civil Service Commission Building from 8:00 AM to 5 PM.
3. Attached herewith are the lists of participating schools and the name of School Heads with their contact details who commit to participate on the Bote Challenge Competition.
4. This Memorandum serves as an Authority to Travel of the identified participants.
5. Expenses incurred in the holding of the said Orientation Workshop such as transportation allowance/per diem of the participants shall be chargeable against School MOOE subject to availability and the usual accounting and auditing rules and regulations.

6. Immediate dissemination of this Memorandum is desired.

Re: Endorsement of four representatives per secondary schools to participate the Business Development Services Workshop of the Bote Challenge Competition.

Dear **DR. ANGTUD**,

Greetings! I hope this letter finds you well.

This pertains to the partnership of Nature's Spring Foundation Inc. with the Department of Education on the *Bote Challenge*, a plastic upcycling project which seeks to utilize the creative energies of the youth in recognizing, promoting and adopting sustainable practices on plastic waste management within communities. The project is currently on its third phase of implementation which focuses on the ideation workshop and coaching on presentation skills.

In lieu with this, we humbly request for your office's assistance on the participants Travel order per division for their travel expense per diem, Parent's consent (for the students) and in the information dissemination of the Business Development Services (BDS) Workshop to all participating secondary schools under the Cebu Province Division through a memorandum, as a strategy to ensure that the workshop is formally and clearly communicated to the secondary schools unit.

We believe that this whole day event workshop of which will be held at DepEd Ecotech, Sudlon, Lahug, Cebu City on July 17, 2019 for secondary schools from Northern Cebu and on July 18, 2019 for Southern Cebu, will help sensitize participating school unities on the socio-economic and environmental value of their participation using interactive exercises. The sessions during the workshop will help participants generate ideas or develop existing ones into a potentially viable product or service using mineral water bottles.

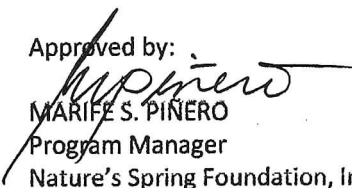

Attached herewith are the lists of participating schools and the name of school heads with their contact details who commit to participate on the *Bote Challenge Competition*.

We look forward to your positive response to this letter. Thank you.
