AFTERCARE PROGRAM

D O N B O S C O

July 5, 2019

**Dr. Rhea Mar A. Angtud**  
Schools Division Superintendent  
Division of Cebu Province  
DepEd Regional Office VII  
Sudlon, Lahug, Cebu City, 6000 Cebu

Dear Dr. Angtud:

Greetings!

Magone Home Aftercare Program (MHAP) is an aftercare facility of Don Bosco Boys' Home that provides a multi-disciplinary approach to help children in conflict with the law (CICL). Since 2010, we have assisted these young individuals who have been through rehabilitation and/or diversion programs as they prepare themselves to effectively reintegrate to society and to live independently. Communities play a significant role in this program. This is why a core principle of our program is to involve the community in the client's reintegration.

As such, we are organizing a stage play with our clients' participation to bring communities together so they may be involved in these young individuals' transformative journey. The story revolves around the life of children in conflict with the law with the objectives of (1) changing society's perspective on the kind of future that these children have, (2) reducing the stigma that surrounds them, and (3) urging the community to take part in helping these young individuals thrive in life. The play is set to take place on **August 2 and 3 at the USPF theatre.**

In light of this, we would like to request for your endorsement of our stage play as an educational activity for students from various schools within the Province of Cebu and permit that we will be selling out tickets worth **Php 30** for the students. The circumstances of CICL may bring about valuable insights to young individuals in the society.

We are hoping for your positive response. Should you have queries about the organization and/or the event, please do not hesitate to contact us at 0917-621-1148 / 0905-212-3093 or [magonehome@gmail.com](mailto:magonehome@gmail.com).

Sincerely,

Mr. Abelardo Banuag, Rpm  
Script Writer and Music Composer  
Magone Home Team Coordinator
