DR. JULIET A. JERUTA
Regional Director
Region VII
Department of Education

Dear Dr. Jeruta,

The **Philippine Choral Directors Association (PCDA)** would like to express its gratitude to the Department of Education for endorsing our conferences and conventions in the past years.

Aware of the need to elevate the standards of the choral arts nationwide, PCDA regularly holds conferences and conventions in its quest to realize:

- The choral conductor as a "multiplier" of sound musical ideas;
- Better and standardized vocal training for Philippine choirs;
- Higher performance standards in national and international choral competitions; and
- A wider pool of gifted singers from the primary level to be able to uplift the already high quality of our adult choirs.

This year, PCDA is holding its 4th National Convention as it continues this artistic pursuit with the theme – **"Enriching the Conductor, Engaging the Community."** Directors, managers, performers, and enthusiasts of the choral arts are invited to attend this triennial gathering and, together, pave the way to achieve our dream for the Philippine choral community.

We are seeking your assistance again as we mount the PCDA National Convention 2019 which is expected to be this year's biggest national gathering of choral artists. This convention has three major components, namely:

- **National Masterclass for Choral Conductors:** a set of modules designed for both beginning and advanced participants with focus on the management and artistic direction of choirs, fundamental conducting and rehearsal techniques, and knowledge and skills training of choristers;
- **A Choral Celebration:** the signature concert series of PCDA conferences and conventions, featuring some of the country's leading ensembles; and
- **General Assembly:** PCDA's annual gathering of members highlighted this year by the election of the Board of Directors for 2020-2022.
